

Civics Education Resources

Below are just a few of the many civics education resources mentioned in this edition of *Judicature*. For direct links to all resource and to share others, visit judicature.duke.edu.

U.S. Courts

www.uscourts.gov/about-federal-courts/educational-resources/educational-activities

Activity packages, discussion guides, and presentations for both in-person and Zoom discussions with school-age groups.

Federal Bar Association

www.fedbar.org/about-us/outreach/civics-education-resources/

Ready-to-use presentations and classroom activities organized by length of time; information about summer camp; and downloadable framework for Civil Discourse and Difficult Decisions program (CD3).

American Bar Association

www.americanbar.org/groups/public_education/

Summer Teachers Institutes; a teachers' portal with lesson plans and class activities; and resources for the general public on civics and the judiciary.

National Center for State Courts

www.ncsc.org/education-and-careers/civics-education

Information about the NCSC essay contest; Constitution and Law Day resources; and state court civics education resources listed by state.

Our Courts Colorado

www.ourcourtscolorado.org

Presentations and videos on various aspects of state and federal courts, types of litigation, and Colorado's judicial selection process.

Rendell Center For Civics and Civic Engagement

<https://rendellcenter.org>

Civics lesson plans, podcasts, videos, mock trial outlines, and information about the Summer Teachers Institute.

Civics Renewal Network

www.civicsrenewalnetwork.org

Thirty-seven nonprofit organizations share civics education resources here, including classroom activities and lesson plans searchable by topic and grade level, plus tips for teaching about civics, elections, controversial topics, media literacy, and more.
